Annual Renewable Term Life Insurance Plan Summary

Annual Renewable Term (ART) life insurance through The Alumni Association of the City College of New York ("CCNY") can be a cost effective way to provide life insurance benefits and help protect your family and finances in the event something happens to you.

Eligibility

All members[1] of The Alumni Association of the City College of New York, under age 65 at the time of enrollment, are eligible to apply for life insurance from a minimum of $10,000 up to a maximum of $500,000 in $2,500 increments.

Normal Activities Requirement

You must satisfy the normal activities requirement to be covered under the plan. On the date insurance is to take effect, you must not be: confined at home under a physician's care; receiving or applying to receive disability benefits from any source; or hospitalized.

If you do not meet this requirement on such date, your insurance will take effect on the date you are no longer confined; receiving or applying to receive disability benefits; or hospitalized.

Dependent life coverage is also available for each of your eligible, unmarried, dependent children[2] from 14 days-old and until age 26. For dependent children who have reached age 26, coverage will end on the last day of the calendar month.

Maximum benefit amounts

For the member, the maximum benefit amounts are based on the enrollment process you choose.

MetLife's **Simplified Issue** process allows members to enroll in higher benefit amounts when they answer a few medical questions and one hospitalization question and fall within the height and weight requirements on the application.

- Under age 40 at time of enrollment, coverage amounts up to $250,000
- Age 40-49 at time of enrollment, coverage amounts up to $150,000
- Age 50-59 at time of enrollment, coverage amounts up to $100,000

MetLife's **Full Statement of Health** process allows members, under age 65, to apply for amounts up to $500,000. While this process requires full medical underwriting, it may give you access to higher benefit maximums and to the most competitive rates.

For the member's dependent children[2]

- $2,000 of coverage is available at $3.60 annually, without evidence of insurability. This annual premium covers all eligible children, regardless of how many are insured.

Additional plan benefits

Life insurance can be a critical first step in helping to ensure your family's financial well-being. Your ART life insurance coverage includes meaningful features to help you make the right decisions to manage what life may bring.

Valuable built-in features at no additional cost to you

Will Preparation Services[3]
Offers you and your spouse/domestic partner unlimited face-to-face or telephone meetings with an attorney, from MetLife Legal Plans' network of over 18,500 participating attorneys, to prepare or update a will, living will, and Power of Attorney.

Estate Resolution Services[3]
Estate representatives and beneficiaries may receive unlimited face-to-face legal assistance with probating your and your spouse/domestic partner's estate. Beneficiaries can also consult an attorney, from MetLife Legal Plans' network of over 18,500 participating attorneys, for general questions about the probate process.

Grief Counseling[4]
Provides you and your dependents up to five private counseling sessions with a professional grief counselor — per event — to help cope with a loss, no matter the circumstances, whether it's a death, an illness or divorce. Sessions may also be held over the phone.

Total Control Account®[5]
The Total Control Account (TCA) is a settlement option that provides your loved ones with a safe and convenient way to manage life insurance proceeds. They'll have the convenience of immediate access to any or all of their proceeds through an interest bearing account with unlimited check-writing privileges. The Total Control Account also allows beneficiaries time to decide what to do with their proceeds.

Accelerated Benefits Option[6]
You can receive up to 80% of your ART life insurance proceeds to a maximum of $400,000 in the event that you become terminally ill and are diagnosed with less than 12 months to live[7]. This can go a long way toward helping your family meet medical and other related expenses at this difficult time.

Waiver of Premium
If you become disabled prior to age 60 and remain disabled for six (6) continuous months, the company will waive your premium payments for as long as you continue to meet the definition of disability, or until the age of 70. If you recover and no longer meet the definition of disability, premium must again be paid when due.

Learn More

Is a medical exam required?
You must complete a standard application. When you apply, simply answer the health questions. Even if you have a health condition, you may still qualify. Depending on the amount applied for, a paramedical exam and blood test may be required, which will be scheduled at your convenience and at no cost to you.

Will this ART life insurance plan pay in addition to other coverage?
Yes. The annual renewable term plan pays in addition to any other insurance coverage you have. The plan also stays with you until your coverage ends — even if you change jobs.

How long can my coverage continue?
Your coverage can continue as long as you pay your premium when due, have not reached age 70, remain in an eligible class, the insurance continues for your class, and the group policy for The Alumni Association of the City College of New York remains in force. Please see the certificate of insurance for details.

Would I have the ability to continue coverage, should my plan end?

Yes, in many instances. If your insurance ends for a reason other than non-payment of your premiums, you may be able to convert your coverage into an individual life insurance policy from Metropolitan Life Insurance Company without providing evidence of insurability. Please see the certificate of insurance for details, including eligibility for conversion and amount of coverage that may be converted.

Are there any exclusions to my coverage?

Yes. Benefits will not be paid if the member's or dependent's death occurs from suicide, or if health is misrepresented, within 2 years from the date life insurance for you takes effect.

1. Member means all students or former students of any school and/or division of The City College of The City University of New York programs, faculty, staff, former members of the faculty or staff of the college, spouses and children of alumni of the college, and parents of graduates.
2. Refers to your natural child, adopted child (including a child from the date of placement with the adopting parents until the legal adoption) or stepchild (including the child of a Domestic Partner); and who, in each case, is at least 14 days old, under age 26, unmarried and supported by You.
3. Will Preparation and MetLife Estate Resolution Services are offered by MetLife Legal Plans, Inc., Cleveland, Ohio. In certain states, legal services benefits are provided through insurance coverage underwritten by Metropolitan General Insurance Company, Warwick, Rhode Island. For New York sitused cases, the Will Preparation service is an expanded offering that includes office consultations and telephone advice for certain other legal matters beyond Will Preparation. Tax Planning and preparation of Living Trusts are not covered by the Will Preparation Service. Certain services are not covered by Estate Resolution Services, including matters in which there is a conflict of interest between the executor and any beneficiary or heir and the estate; any disputes with the group policyholder, MetLife and/or any of its affiliates; any disputes involving statutory benefits; will contests or litigation outside probate court; appeals; court costs, filing fees, recording fees, transcripts, witness fees, expenses to a third party, judgments or fines; and frivolous or unethical matters.
4. Grief Counseling services are provided through an agreement with LifeWorks US Inc. LifeWorks is not an affiliate of MetLife, and the services LifeWorks provides are separate and apart from the insurance provided by MetLife. LifeWorks has a nationwide network of over 30,000 counselors. Counselors have master's or doctoral degrees and are licensed professionals. The Grief Counseling program does not provide support for issues such as: domestic issues, parenting issues, or marital/relationship issues (other than a finalized divorce). This program is available to insureds, their dependents and beneficiaries who have received a serious medical diagnosis or suffered a loss. Events that may result in a loss are not covered under this program unless and until such loss has occurred. Services are not available in all jurisdictions and are subject to regulatory approval. Not available on all policy forms.
5. Subject to state law, and/or group policyholder direction, the Total Control Account (TCA) is provided for all Life and Accidental Death & Dismemberment benefits of $5,000 or more. The TCA is not insured by the Federal Deposit Insurance Corporation or any government agency. The assets backing TCA are maintained in MetLife's general account and are subject to MetLife's creditors. MetLife bears the investment risk of the assets backing the TCA, and expects to earn income sufficient to pay interest to TCA Accountholders and to provide a profit on the operation of the TCAs.
6. The Accelerated Benefits Option is subject to state regulation and is intended to qualify for favorable federal income tax treatment, in which case the benefits will not be subject to federal income taxation. This information was written as a supplement to the marketing of life insurance products. Tax laws relating to accelerated benefits are complex and limitations may apply. You are advised to consult with and rely on an independent tax advisor about your own particular circumstances. Receipt of accelerated benefits may affect your eligibility, or that of your spouse or your family, for public assistance programs such as medical assistance (Medicaid), Temporary Assistance to Needy Families (TANF), Supplementary Social Security Income (SSI) and drug assistance programs. You are advised to consult with social service agencies concerning the effect that receipt of accelerated benefits will have on public assistance eligibility for you, your spouse or your family.
7. Life expectancy guidelines can vary based on state regulations.

In some cases a medical exam may be required (at no cost to you). When you apply, simply answer the health questions. Depending on the amount applied for, a paramedical exam and blood test may be required, which will be scheduled at your convenience. Even if you have a health condition, you still may qualify.

Coverage may not be available in all states. For more information, please contact your plan administrator AMBA, at 1-888-560-2586 or by email at: customerservice.service@getamba.com.

Rates may be changed on the entire group plan or on a class basis and on any premium due date on which benefits are changed. A class is a group of people defined in the group policy. Benefits are subject to change upon agreement between Metropolitan Life Insurance Company and the participating organization.

The plan administrator incurs costs in connection with providing oversight and administrative support for this sponsored plan. To provide and maintain this valuable membership benefit, MetLife may compensate the plan administrator for these and/or other costs.

All applications for coverage are subject to review and approval by MetLife. If you choose to apply for increased coverage, the increase may be subject to underwriting. MetLife will review your information and evaluate your request for coverage based upon your answers to the health questions, MetLife's underwriting rules and other information you authorize us to review. In certain cases, MetLife may request additional information to evaluate your request for coverage. Coverage will be effective in accordance with the applicable policy and certificate after approval by MetLife.

Nothing in these materials is intended to be advice for a particular situation or individual. Please consult with your own advisors for such advice. Like most insurance policies, insurance policies offered by MetLife and its affiliates contain certain exclusions, exceptions, reductions, limitations, waiting periods and terms for keeping them in force. Please contact your plan administrator AMBA, at 1-888-560-2586 or by email at: customerservice.service@getamba.com for costs and complete details.

Our Privacy Notice

We know that you buy our products and services because you trust us. This notice explains how we protect your privacy and treat your personal information. It applies to current and former customers. "Personal information" as used here means anything we know about you personally.

SECTION 1: Plan Sponsors and Group Insurance Contract Holders

This privacy notice is for individuals who apply for or obtain our products and services under an employee benefit plan, group insurance or annuity contract, as an executive benefit, or as otherwise made available at your work or through an association to which you belong. In this notice, "you" refers to these individuals.

SECTION 2: Protecting Your Information

We take important steps to protect your personal information. We treat it as confidential. We tell our employees to take care in handling it. We limit access to those who need it to perform their jobs. Our outside service providers must also protect it, and use it only to meet our business needs. We also take steps to protect our systems from unauthorized access. We comply with all laws that apply to us.

SECTION 3: Collecting Your Information

We typically collect your name, address, age, and other relevant information. We may also collect information about any business you have with us, our affiliates, or other companies. Our affiliates include life insurers, a legal plans company and a securities broker-dealer. In the future, we may also have affiliates in other businesses.

SECTION 4: How We Get Your Information

We get your personal information mostly from you. We may also use outside sources to help ensure our records are correct and complete. These sources may include consumer reporting agencies, employers, other financial institutions, adult relatives, and others. These sources may give us reports or share what they know with others. We don't control the accuracy of information outside sources give us. If you want to make any changes to information we receive from others about you, you must contact those sources.

We may ask for medical information. The Authorization that you sign when you request insurance permits these sources to tell us about you. We may also, at our expense:

- Ask for a medical exam
- Ask for blood and urine tests
- Ask health care providers to give us health data, including information about alcohol or drug abuse

We may also ask a consumer reporting agency for a "consumer report" about you (or anyone else to be insured). Consumer reports may tell us about a lot of things, including information about:

- Reputation
- Driving record
- Finances
- Work and work history
- Hobbies and dangerous activities

The information may be kept by the consumer reporting agency and later given to others as permitted by law. The agency will give you a copy of the report it provides to us, if you ask the agency and can provide adequate identification. If you write to us and we have asked for a consumer report about you, we will tell you so and give you the name, address and phone number of the consumer reporting agency.

Another source of information is MIB, LLC ("MIB"). It is a not-for-profit membership organization of insurance companies which operates an information exchange on behalf of its Members. We, or our reinsurers, may make a brief report to MIB. If you apply to another MIB Member company for life or health insurance coverage, or a claim for benefits is submitted, MIB, upon request, will supply such company with the information in its file. Upon receipt of a request from you MIB will arrange disclosure of any information it may have in your file. Please contact MIB at 866-692-6901.
